Your next idea

Markdown in. A presentation out.

Keep it simple

- Write in Markdown
- Drag slides to reorder
- Duplicate the good ones
- Pick an Omarchy theme

A presentation is a sequence of ideas.

Give each one room to breathe.

— Hype

Pragmatic

Ergonomic

Aesthetic

Sovereign

The source is the document

```
class Presentation
  def reorder(from, to)
    slides.insert(to, slides.delete_at(from))
  end
end
```
